**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES
REGION 13 (ILLINOIS) PUBLIC SAFETY REGIONAL PLANNING COMMITTEES TO HOLD
700 MHZ REGIONAL PUBLIC SAFETY PLANNING AND 800 MHZ NPSPAC REGIONAL
PUBLIC SAFETY PLANNING MEETINGS**

PR Docket No. 91-228

The Region 13 (Illinois)¹ Public Safety Regional Planning Committees (RPC) will hold two consecutive planning meetings on Wednesday, November 12, 2008. Beginning at 10:00 a.m., the 800 MHz NPSPAC RPC will convene at the Illinois State Police Communications Facility, 531 Sangamon Avenue (conference room), Springfield, Illinois. The purpose of this meeting is to review any pending 800 MHz applications and to address any outstanding issues. Immediately following the 800 MHz NPSPAC RPC meeting, the 700 MHz Public Safety RPC will convene at the same location. The purpose of this meeting is to review the draft 700 MHz plan.

Both of the Region 13 Public Safety RPC meetings are open to the public. It is essential that public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's rules, 47 C.F.R. § 90.523, be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 13 should plan to attend. For further information, please contact:

Gary J. Cochran, Chairman
Region 13 800 MHz Public Safety Regional Planning Committee
Illinois State Police
